The League Association of Risk Management is offering a \$500 grant to LARM members for the purpose of advancing their safety program.

LARM members are encouraged to apply for up to \$500 in grant money to fund or partially fund safety items that will assist in reducing or preventing injuries, property losses, Workers' Compensation claims and/or liability claims. LARM members can apply for one grant each fiscal year (October 1 to September 30). Each applicant must be a LARM member at time of submission and at issuance of grant funds.

The Lean on LARM committee will review and select qualifying recipients of the grant. Funds will be distributed only for items purchased after they were approved and after the receipt is presented to LARM.
